WE'VE GOT YOU COVERED

You'll get more enjoyment — and more years — out of your Glastron with protection from a good-fitting, high quality canvas top. Choose from a selection of color-matched systems, including full camper canvas, which converts the cockpit into an Aquatic RV, a Bimini top to provide shade, or a care cover or cockpit/forward cover to protect your boat from the elements while moored or stored. These canvas systems are custom-sewn to fit your boat perfectly, and made from top-grade materials for many years of service.
